General & Basic information

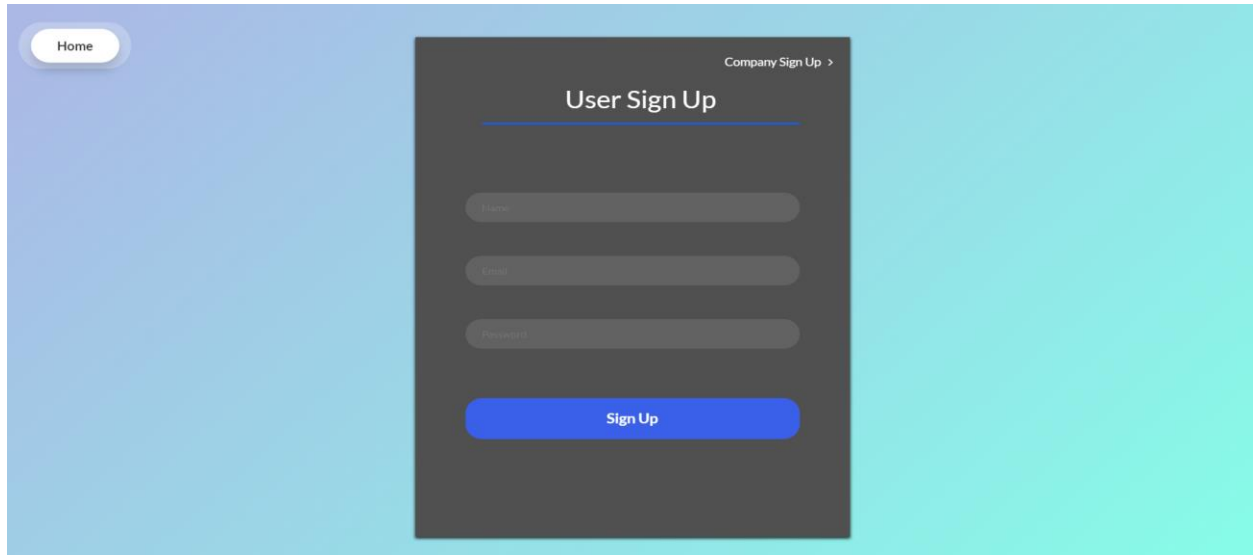

- You are greeted with the login picture.
- You can use Signup and Login buttons to create/login into your account.

Sign Up

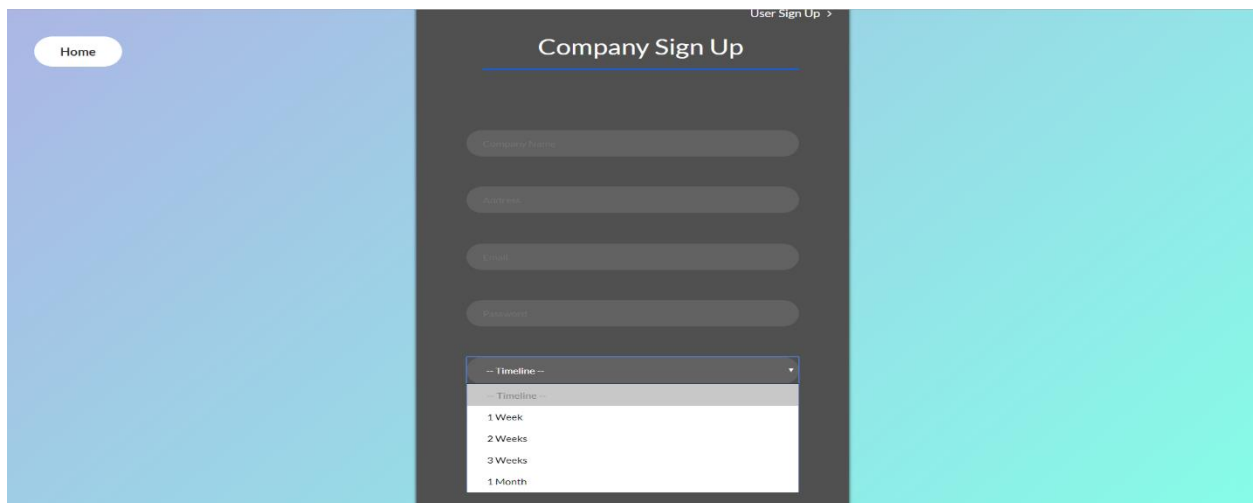

There are two sign up pages: company sign up and user sign up

User Sign up:

The image shows a mobile app interface for the 'User Sign Up' page. On the left, there is a blue sidebar with a 'Home' button. The main content area has a light blue background. A dark grey modal box is centered on the screen, titled 'User Sign Up' with a 'Company Sign Up >' link at the top right. Inside the modal, there are four input fields labeled 'Name', 'Email', 'Password', and 'Confirm Password'. Below these fields is a blue 'Sign Up' button.

Company Sign up:

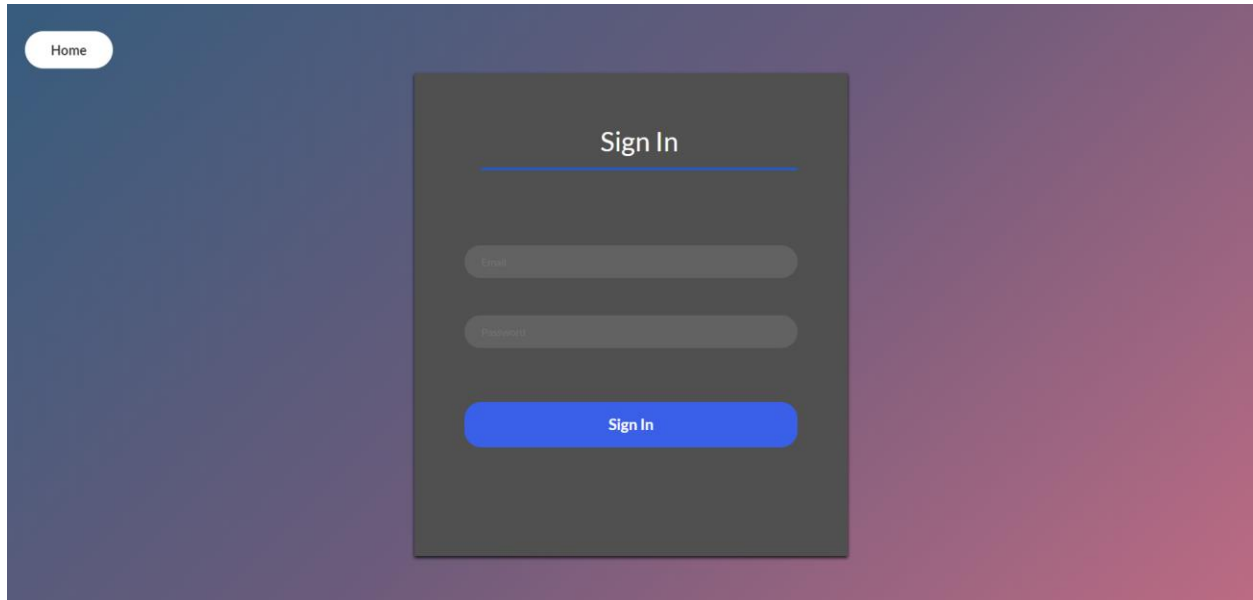

The image shows a mobile app interface for the 'Company Sign Up' page. On the left, there is a blue sidebar with a 'Home' button. The main content area has a light blue background. A dark grey modal box is centered on the screen, titled 'Company Sign Up' with a 'User Sign Up >' link at the top right. Inside the modal, there are four input fields labeled 'Company Name', 'Address', 'Phone', and 'Password'. Below these fields is a dropdown menu labeled '-- Timeline --' with a list of options: '1 Week', '2 Weeks', '3 Weeks', and '1 Month'.

Notes:

1. All the fields are mandatory for sign up.
2. Company owner can select a timeline in weeks for which he wants the appointment slots to be available.

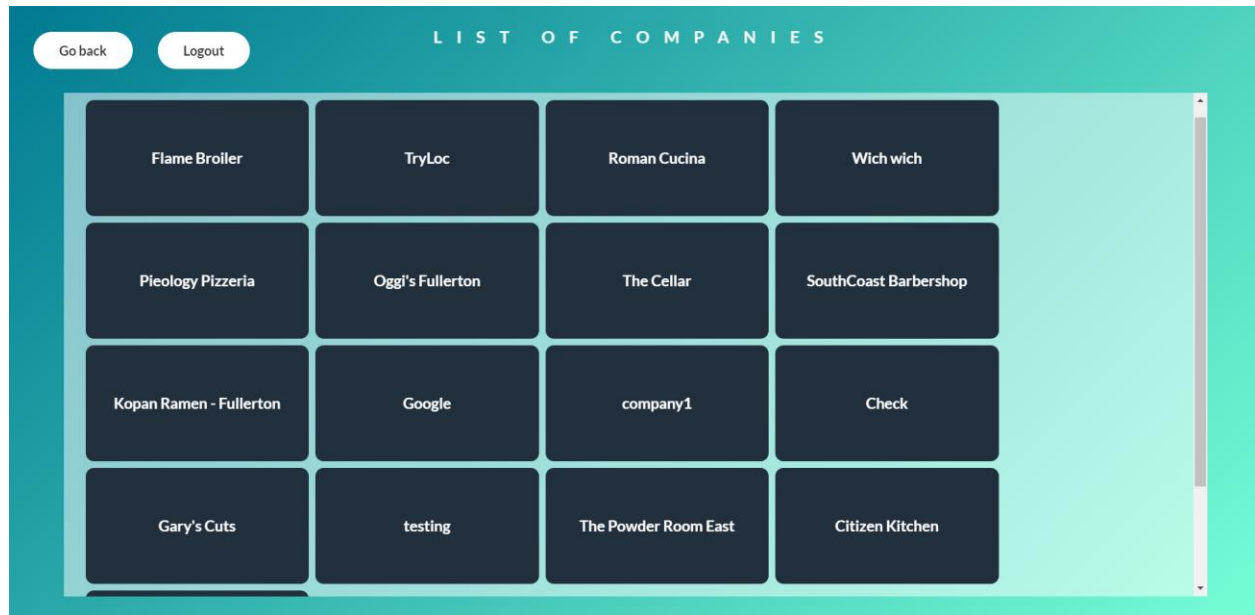

Sign In

You can login into the application by clicking on Log In button on homepage and entering your email address and password.

Logged In - User

After logging in, you have list of companies for which you can book the appointment by clicking on it.

Appointments-User

Once clicked on the company, you can see the company's calendar. You can manually select the date and time on the calendar by sampling dragging the mouse pointer.

Enter title for the event to create an appointment.

The screenshot displays a web application interface for managing appointments. At the top left, there is a header "Your bookings" with a "Go back" button. The main area is a calendar grid showing days from Sunday 5/13 to Saturday 5/19. The time slots range from 12am to 12pm. Several appointments are visible as blue blocks with text labels and date ranges:

- Lunch** (May 14th 2018, 1:30 AM - May 14th 2018, 5:30 AM)
- Meeting** (May 15th 2018, 5:30 AM - May 15th 2018, 8:00 AM)
- Meeting** (May 16th 2018, 4:00 AM - May 16th 2018, 6:00 AM)
- Lunch** (May 17th 2018, 5:30 AM - May 17th 2018, 7:00 AM)

 A modal dialog is open in the center, titled "localhost:4200 says". It contains an "Event Title:" label and a text input field with the word "Breakfast" entered. There are "OK" and "Cancel" buttons at the bottom of the modal. On the right side of the calendar, there is a "Save Appointments" button and a note: "* Please note that you have to save appointments for them to persist."

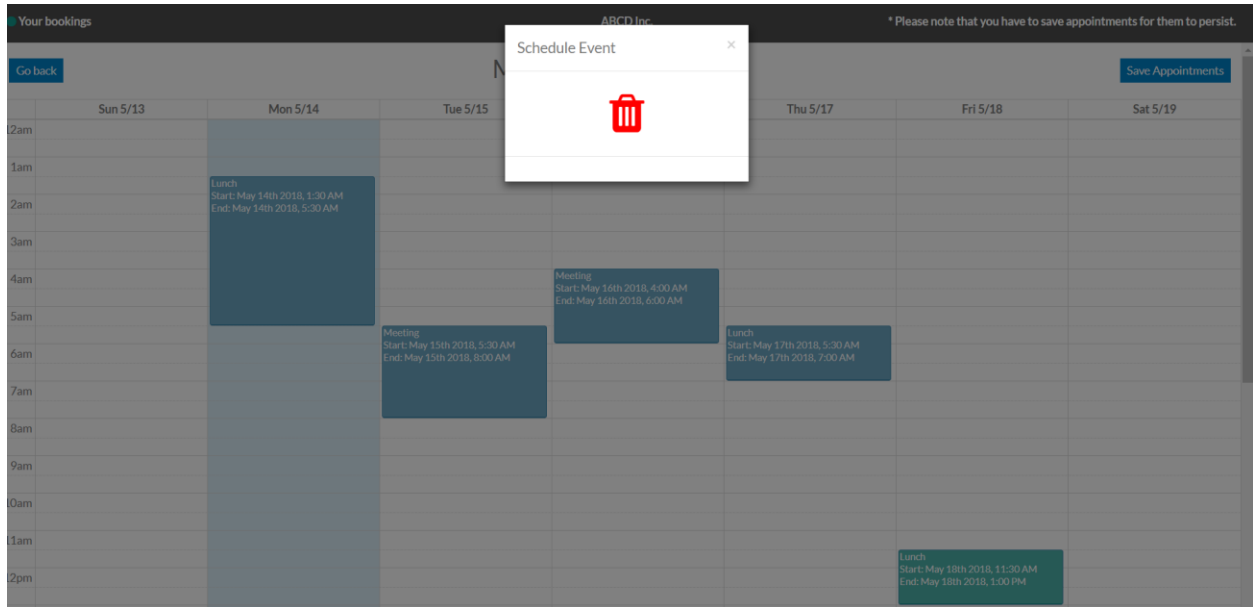

Click Save appointments to save the appointment to the database.

Notes:

1. You cannot create an event over already existing event
2. You cannot create an event for the past date.

Delete appointments-User

User can delete his own appointments. Just click on the event and you can see the option for deletion.

Click on Save Appointments to confirm your deletion.

Appointment Page-Company

When you are logged in as a Company official in the system, you can see list of appointments scheduled by the users.

Go to Calendar-Company

Company's official can view the calendar by clicking on Go to calendar button.
